REMARKS

The foregoing claims are the same as the finally rejected claim set pending in the parent, and are based on the original specification and claims as is described in the prosecution of the parent application.

Respectfully Submitted, GENENTECH, INC.

Max D. Hensley Reg. No. 27,043

June 7, 1988 460 Point San Bruno Boulevard South San Francisco, California 94080 (415) 266-1000
